A.R.E. 5.0

On the path to obtaining your license in 2020?

AIA Long Beach/South Bay will once again underwrite the AIA Associate Member **Black Spectacles PRO** group subscription (includes video tutorials, online practice exams, and digital flashcards) for the 1st quarter of the year (Jan. 1 - March 31) with **\$1,000!** This additional savings is on top of the discount AIA LBSB has already negotiated.

Pro (Premium + Digital Flashcards) normally \$199/mo.:

AIA LBSB price \$129/mo. = \$387 total for 3-mo. subscription

Example of Supplemental Funding for Five (5) LBSB Associates:

\$387 - **\$200** = \$187 total for 3-mo. subscription

Example of Supplemental Funding for Ten (10) LBSB Associates:

\$387 - **\$100** = \$287 total for 3-mo. subscription

Supplemental funding is available ONLY to members. Non-LBSB members may subscribe to the discounted pricing.

Reporting of the Associate subscribers' time spent online with the program will be provided to all members of the group so as to encourage use of the program and the formation of study groups.

Additional chapter funding in future quarters is not guaranteed. The Board of Directors will base their decision on the interest level. The more Associate members interested, the more likely funding will be made.
